At the beginning of the 1950-'51 term our hearts were made heavy when our school mate, Eddie Shumate, was struck by polio. We experienced many anxious hours during those first two weeks in October, and the question foremost in the minds of everyone was "How's Eddie getting along?" As the weeks went by, we were encouraged as he began winning the battle, even though he was in an iron lung. We missed his smiling countenance in the halls and classrooms, his athletic ability on the ball fields, and his presence at all school functions. We marvel at the spirit Eddie has shown and we are proud that we have had the honor to associate with him during our school life.

Class Will

We, the Senior Class of nineteen hundred and fifty-one, realizing that our days at Morion High School are numbered, and now possessing a very great deal of intelligence, rare personality, and talents in many lines, do hereby bestow our numerous valuable qualities, as well as our idiosyncrasies, upon our worthy and devoted lower classmen in this, our Lost Will and Testament.

ITEM—To the faculty, we leave sincere appreciation for their willingness to help us at all times.

ITEM—To Mr. Wilkinson, we bequeath any money left in the treasury, hoping that it will erase from his brow all trace of financial worry.

ITEM—The tracks on the floor after a rainy day we leave to Mr. Wolfe.

ITEM—To the Junior Class, we proudly leave our reputation for silence, study, and school spirit, with the hope that they may add to these qualities.

ITEM—To the Freshman Class, we offer this advice—Take Latin for it will be needed in Miss Buchanan's Senior English.

ITEM—Shirley Sprinkle leaves her keen eye for the basket to Helen Morgan.

ITEM—Preston Copenhagen leaves his Chemistry Experiments to anyone who can find them.

ITEM—Clara Kimberling leaves her giggles to anyone who has the nerve to use them.

ITEM—Rhodes Greer wills his talents for financing the Hurricane, along with his ability as a high pressure salesman to Not Scott. "May his soul rest in peace."

ITEM—John Paul Honkins leaves his athletic fame to Robert Hankins.

ITEM—Nettie Shupe leaves her calm manner to Norma Croft in order that Marion High may enjoy a few peaceful moments next year.

ITEM—In order that the old Alma Mater will still be able to produce plays, Avery Severt leaves his willingness to help back-stage to Bob Legard.

ITEM—Charles Shumate leaves his ability to fall asleep anytime, anywhere, to Greek Boyer, but hopes he won't use it too often.

ITEM—Cornelio Wolfe leaves her ever-ready desire to argue to Ann Eller.

ITEM—Ann Francis leaves her habit of being late to Bebe Boyd, but hopes she won't use it too constantly.

ITEM—Sodie Wolfe leaves her position as picture editor to Laura Etta Gorretson.

ITEM—Joan Slagle leaves her charm and dependability to Eliza Hubble.

ITEM—Kate Noonkester leaves her pleasant disposition to Nora McFarlane.

ITEM—Mary Riggles leaves her smallness to Eleonor Crewes.

ITEM—Foy Rouse leaves her position on the basketball team to Mary Ann Ingram.

ITEM—Joanne Poulos wills her cheer leading ability to Jenny Jo Pruner.

ITEM—Miriam Frazier wills her ability to get out of class to Wonda Westman.

ITEM—Charles Blancett wills his skill at working back-stage to Pete Parks.

ITEM—Ann Johnston wills her artistic talents to Dorothy Wolfe.

ITEM—Phyllis Cormony wills her position as pianist for the Choral Club to any oncoming senior.

ITEM—Mary Prater wills her height to Mory A. Testerman.

ITEM—Potsy Pickel wills her "pep" to Doris Goodman.

ITEM—Jane Morchant wills her wit to Lynn Cormony.

ITEM—Charlotte Dutton wills her gray hairs acquired in making the annual a success to her successor, Eliza Hubble.

Witness my hand and seal this eleventh day of June, in the year of our Lord one thousand nine hundred and fifty-one.

Class Prophecy

The aracle, sage, and bard af this page
Will show yau the future events.
These cauplets express the marvelous success
Of Marian High ladies and gents.

Preston Capenhaver has a formula far age pre-
vention,
Due ta his usual interest in invention.

Peaple find it hard ta die,
With Winifred Kirk, a nurse, nearby.

She's made herself famaus in warks af art,
Miss Ann Jahnson, a genius thau art!

Just as she did at Marian High
Blanche Reeves in beauty cantests ranks high.

Larry Frazier—lang since ta New Yark did ga,
Happily married ta — well, yau know.

The greatest aviatar we've ever known,
Rannie Beaver—'round the world he's flown.

Thelma Killen, as little as ever,
Is noted far wark in Christian Endeavor.

In hausekeeping, she is very fitten
Wha can surpass Jaanne Brittan.

Day and night Loretta Taylar slaves
In a beauty parlor, giving permanent waves.

Patricia Widener took Home Ecanamics with the
future in view:
As we all know, her dreams hove come true.

Remembering the thrill a uniform carried
Charlotte Duttan is naw ta an officer morried.

Phyllis Carmany, wha in piana was dominant,
In a jazz orchestra is naw very praminent.

Dental wark is Rhades Greer's line
And all af his patients like him fine.

Genevieve Slagle has opened a new hotel
And we hear she's daing remarkably well.

Carnelia Walfe, famaus novelist ond poet
Has completed her boak, "The World As I Know
It."

Ann Francis—well, I just don't know—
Same falks da puzzle ane sa!

A taast ta Frank Janes, wha just confessed
He made his fartune in Eurape's sparts cantests.

Here's ta J. Warren, a gavernar af fame
Whase unusual speeches have made him a name.

There are all kinds af stores in tawn,
But Frank Maxey's has the gretest renawn.

Dawn the raad the sportswaman raared
Shirley Sprinkle in her brand new Ford.

Blake Snider has recently become a star;
His pictures are saught both near and far.

Of all efficient secretaries
Jaan Slagle is quite the berries!

E. Staats and B. Duncan just made this can-
fession—
For them the jab as clerks is a favorite profession.

Rosa Lee Hayes far o ward was never at a lass;
Naw she's married and is still her awn bass.

Paliceman Tilsan, get an yaur duty:
Here's Nadine Buck, the American Beauty.

A man wha has distinguished his name
Is Jae Campbell, a doctor af fame.

Most magicians merely take rabbits from a hat;
Max Perkins daes greater things than that.

A Navy officer, with coat af mail,
Bill Anderson, we proudly hail.

Says Kate Naankester, wha has taken ta the air,
"There are na policemen or speed limits there."

Don Rash, as a chemist, has gained great fame;
His discoveries are quite a credit ta his name.

Paderewski naw has been outdane;
Sadie Walfe is number ane.

Jane Marchant has a distinguished place
As a hame demanstratar—and is she an ace.

Avery Severt is all in a rage
Because af success in designing o stage.

As basket-ball coach at Rondalph-Macan
Robert White a positian has taken.

Miriam Frazier is fathoms below,
Laaking far galdfish in H₂O.

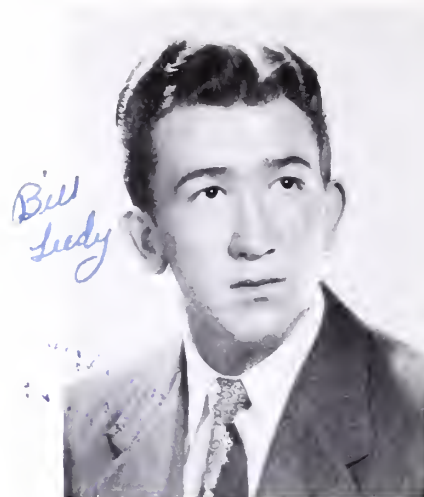

John Dickinsan no langer is hag-caller champ,
The Metrapalitan Opera he's made his camp.

By the time yau read this calumn,
Our necks will have been braken,
Because we have been sa bald as ta say
These things which have been spoken.
And sa, hawever great ar small
Is the future yau have in view,
"Give ta the world the best that yau have,
And the best will come bock ta yau."
I wish I were a real prophet,
That I yaur future might really faresee.
I'd give yau all the best career there is,
A hame—happiness ta the highest degree.

Masie,
I have really enjoyed
knowing such a swell teacher,
even though I haven't any subjects
under you. It takes teachers like
you to keep "ole" M.H.S. Rolling.
I will sure miss you next year
I'll have to hunt someone else
to replace.

IS IT CONDITIONING. . . coaching . . . teamwork . . . physique . . . sportsmanship . . . competitive spirit . . . or just plain honest-to-goodness athletic skill?

We don't pretend to be athletic experts, because our job is to manufacture high quality textile products. But as sporting fans we think it would be safe to say that an athletic champion is the result of all these fine qualities.

We know that it has taken a combination of great leadership, manufacturing know-how, careful planning, employee loyalty, and skilled teamwork to make Burlington Mills a champion in the textile industry. The Company's many accomplishments and progressive growth during the past 27 years are well known. We are proud of this record and equally proud of our 32,000 employees who have worked together with real team spirit as members of the Burlington team.

It's a fact that Burlington's fine fabrics, hosiery and other textile products are truly "Woven Into the Life of America" — just as every Burlington plant is woven into the life of its own community.

Rosie -

It certainly has been wonderful having such a grand group this year. I know already that I'm going to be sad next year 'cause I'll miss all of you all. Thanks a million for all the things you've done -- you carried the whole bunch of us around any time we're asked. Please come back to see us next year, will you? You can stand around and laugh at us poor mortals left in the "rat race". Whatever you choose to do - I know you'll do it well. You always do. We'll really miss you - who'll be the "nerve base" one of us? Best of luck to a girl who's tops in every way!
